DAY 1 ARRIVE IN SCOTTSDALE. (Fri.)

Welcome to sunny Scottsdale, the "West's Most Western Town!" This evening, your Tour Director kicks off your adventure with a 6:30 pm welcome dinner, where you can mix and mingle with your traveling companions in the Old West. (D)

DAY 2 SONORAN DESERT & 4x4 JEEP ADVENTURE. (Sat.)

This morning, it's off through the wild and woolly landscapes of the vast Sonoran Desert. Although the area only gets about seven inches of rain per year, the plant and animal life here are diverse and abundant! Watch for bighorn sheep, mule deer, jackrabbits, coyotes, a large variety of lizards, and 350 bird species, including turkey vultures, hawks, doves, and hummingbirds. This is also come to the famed saguaro cactus—the only place in the world where it grows wild. Arrive in Sedona, Arizona's "Red Rock Country," where you'll zoom off on a scenic 4x4 JEEP TOUR to the top of Mogollon Rim to admire the impressive rock formations and rugged lowland desert. Then, enjoy one of America's most beautiful drives as you journey through Oak Creek Canyon, home to colorful cliffs and rugged sandstone spires. This afternoon, arrive at the GRAND CANYON, one of the Seven Natural Wonders of the World. The stunning beauty of this famous attraction draws more than 5 million visitors a year from around the globe. This evening, don't miss the spectacular sunset. (B,D)

Special Feature *Your hotel is located near the rim of the Grand Canyon, a rare opportunity for great views—a significant benefit when traveling with Globus.*

DAY 3 GRAND CANYON SIGHTSEEING & HIKING. (Sun.)

Early birds can greet the day with a brilliant sunrise at the canyon's rim! Later, a guided tour teaches you about the Grand Canyon's geology and how it was carved by nature over the course of nearly 2 billion years. Take scenic Hermit Road, with stops along the way revealing extraordinary views of the deep inner gorge and numerous red buttes and ravines. This afternoon is free for exploring on your own. Maybe take a leisurely hike down part of Bright Angel Trail or join a ranger-led nature walk to learn about the area flora and fauna. (B)
