

Welcome to Kids Korner!

Please fill out a registration form, child information record, child placement contract (located at the end of the parent manual), health form, and child history form for each child you are enrolling into the program. **Before your child may attend we need the completed registration form, registration fee for each child, completed information record, signed placement contract, and a copy of your child's immunization record. The health form must be completed by a physician and returned within 30 days.** If you are unable to schedule a doctor's appointment within the 30 days please inform Kelly Moore, the Youth & Children Services Director, when your appointment is scheduled. The history form, although not required, is used to help staff get to know your child better and what you want us to assist them with.

We look forward to having your child(ren) in our program. If you have any questions please call Kids Korner at 345-7243 and we will be happy to assist you.

Thanks,

Kids Korner Staff
